2. Necessity/ Objective of the Buyback:

2.1. The Board at its meeting held on March 12, 2026 considered the accumulated free reserves as well as the cash liquidity reflected in the last audited financial statements as on March 31, 2025 and considering these, the Board decided to allocate up to ₹40,00,00,000 (Rupees Forty Crores only) excluding the Transaction Costs for distributing to the shareholders holding Equity Shares of the Company through the Buyback. The proposed Buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations.

2.2. The Company has been consistently generating strong cash flows and is a debt free entity. The proposed Buyback proposal is in line with the Company's capital allocation practices of returning excess cash to shareholders, thereby increasing shareholder value in the longer term, and improving the Return on Equity. The Company believes that the Buyback is being undertaken by the Company after taking into account the operational and strategic cash requirements of the Company in the medium term and for returning surplus funds to the shareholders in an effective and efficient manner. The Buyback is being undertaken, inter alia, for the following objects:

- The Buyback will help the Company to return surplus cash to its shareholders holding Equity Shares broadly in proportion to their shareholding, thereby, enhancing the overall return to shareholders;
- The Company has generated over ₹197 crores in free cash (before taxes, dividends, and acquisitions) during the period from Financial Year 2023 to Financial Year 2025. Of this, ₹26 crores were distributed as dividends, ₹94 crores were deployed toward acquisitions, and the remaining ₹77 crores have been retained by the Company to support future growth initiatives.
- The Company operates an asset-light business model, which requires negligible capital commitment to scale-up.
- As of March 31, 2026, the Company has free cash of ₹191 crores, out of which ₹45 crores were generated during the period from April 1, 2025 to March 31, 2026, reflecting continuing robust free cash generation.
- With the recent regulatory changes allowing M&A funding by banks, the Company intends to use blend of equity and debt for any inorganic growth opportunity, for superior capital efficiency and shareholders returns.
- The proposed Buyback shall lead to ~400 bps improvement in ROCE.
- The Buyback, which is being implemented through the tender offer route as prescribed under the Buyback Regulations, would involve a reservation of up to 15% of the Equity Shares, which the Company proposes to buyback, for small shareholders or the actual number of Equity Shares entitled as per the shareholding of small shareholders on the Record Date, whichever is higher. The Company believes that this reservation for small shareholders would be identified a significant number of the Company's public shareholders, who would be classified as "Small Shareholders"
- The Buyback is generally expected to improve return on equity through distribution of cash and improve earnings per share by reduction in the equity base of the Company, thereby leading to long-term increase in shareholders' value; and
- The Buyback gives an option to the Eligible Shareholders to either -
 - participate in the Buyback and receive cash in lieu of their Equity Shares which are accepted under the Buyback, or
 - not to participate in the Buyback and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment.

The Company has neither raised nor does it intend to raise debt in connection with the Buyback. - Record Date and Shareholder entitlement:**
 - The Company has fixed Monday, May 4, 2026 as the Record Date ("Record Date") for the purpose of determining the Buyback entitlement and the names of the Equity Shareholders, who will be eligible to participate in the Buyback.
 - In due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ("Letter of Offer") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.

As required under the Buyback Regulations, the dispatch of the Letter of Offer shall be through electronic mode only, within two (2) working days from the Record Date and that if any shareholder requires a physical copy of the Letter of Offer, a request has to be sent to the Company or Registrar to the Buyback and the same shall be provided.

- The Equity Shares proposed to be bought back by the Company shall be divided into two categories; (i) reserved category for Small Shareholders as defined below and (ii) the general category for all other Eligible Shareholders.
A "Small Shareholder" (as defined in Regulation 2(i)(n) of the Buyback Regulations) is a shareholder who holds Equity Shares having market value, on the basis of closing price of shares on the Stock Exchanges, on which the highest trading volume in respect of the Equity Shares as on the Record Date was recorded, is not more than ₹200,000 (Rupees Two Lakh Only).
- In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buyback or the number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as per of this Buyback.
- Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. The Company shall accept all the Equity Shares validly tendered in the Buyback by Eligible Shareholders, subject to their Buyback Entitlement as on the Record Date. Accordingly, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders in the Buyback.
- In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder Category, the Company will club together the Equity Shares held by such shareholders with a common Permanent Account Number (PAN) for determining the category (Small Shareholder or General)

and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the Equity Shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the Equity Shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar and transfer agent (the "Registrar") as per the shareholder records received from the depositories.

- 12.7. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.
- 12.8. The participation of the Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders may opt to participate, in part or in full, and receive cash in lieu of the Equity Shares accepted under the Buyback, or they may opt not to participate. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any.
- 12.9. The maximum tender under the Buyback by any Eligible Shareholder should not exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date.
- 12.10. The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The settlement of the tenders under the Buyback will be done using the "Mechanism for acquisition of shares through the Stock Exchange pursuant to Tender-Offers under Takeovers, Buy-Back and Delisting" notified by SEBI Circulars.
- 12.11. All Eligible Shareholders will be eligible to participate in the Buyback of the Company.
- 12.12. Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the Eligible Shareholders as on the Record Date.

13. Process and Methodology to be Adopted for the Buyback:
